2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Principal's Message

Welcome to Pleasant View School! This report will provide you, parents, and community members with information about the exciting learning opportunities we are creating for our students. You will find information about the school's achievements, the many resources we have available, our wonderful students, and our amazing staff. We strongly believe that parents and community members are an integral part in the learning and development of our students. Therefore, we encourage and welcome all partners to visit our school to see what we have to offer our students and community.

Our hard-working staff are both skilled and dedicated to the success of our students. We believe each child is unique and deserving of a rich educational experience, which includes an environment that is physically and emotionally safe and conducive to learning. We are fortunate to have experienced and knowledgeable teachers, who are eager to make a difference and view themselves as lifelong learners. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All children have special talents and are given opportunities to develop those talents. Each student has access to a rigorous core curriculum in language arts, mathematics, science, and social science. Our goal is for every child to have a broad and rich personalized learning experience.

We have made a commitment to provide the best educational program possible for our students. The excellent quality of our program reflects our highly committed staff. We are dedicated to ensuring that Pleasant View School is a welcoming, stimulating environment where students are actively involved in learning academics as well as positive values. Through our work together, our students will be challenged to reach their maximum potential.

Vision Statement

Pleasant View's vision is to build the self-efficacy of all learners in the system. We believe the path to do this lies within building strong relationships. Our learning environment aims to be individualized to the learner and flexible enough to meet

2023-24 School Description and Mission Statement

their needs at any given time. We want our students to be self-directed and focused on building the Habits of Success into all our learners.

School Profile (School Year 2022-2023)

Pleasant View School District is located in the “Heart of the San Joaquin Valley” in Tulare County, just seven miles west of the City of Porterville. The school received its name from the sweeping view the school has of the foothills and the Sierra Nevada Mountains. The school was founded in

1875 and has served its community for over 140 years. Pleasant View School District continues to provide a quality educational experience for its students.

Pleasant View Elementary School is committed to meeting the various needs of all its students. The Educational programs at Pleasant View focus on meeting every child where they are at and helping them to grow. In order to do this Pleasant View uses many adaptive based online programs to guide our teachers in making the best

instructional decisions for each individual child. Pleasant View Elementary School served 421 students in grades Transitional Kindergarten through eighth during the 2022-2023 school year. Classes are taught on a traditional school calendar made up of three trimesters.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The school district held a public hearing on September 13th, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in October 2022 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

School Facilities (School Year 2022-2023)

Pleasant View Elementary School provides a safe and clean environment for students, staff, and volunteers. The school facilities currently include two libraries, two multipurpose cafeterias, two staff lounges, 33 permanent classrooms, 14 portable classrooms, and three playgrounds.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Cleaning Process

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office, and district office. The condition of the school is well kept and the grounds are kept clean as well as the buildings and restrooms. Currently, 100% of the school's restrooms are in good working order.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	13	13	13	13	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent & Community Involvement (School Year 2022-2023)

Our school has strong parent support. We welcome parents to serve on the school site council and volunteer at our school. Our opening day packet and school handbook give more information about how parents can get involved. We are proud of how our parents actively support their children at Pleasant View Elementary. The district has partnered with Save the Children to offer the Early Steps to School Success program providing parents with early child development strategies 0-5. In addition, the district provides the Vroom program with child-parent groups and monthly parent education sessions. The Pleasant View Education Foundation has led a trip to Florida in the 17-18 school year and is currently planning a trip to Washington D.C. and New York, unfortunately, this has been delayed due to the pandemic. The active PTO organizes activities, including the fall carnival, and fall and spring book fairs. Parents may contact the school offices if they wish to volunteer at Pleasant View 5th-8th (559) 784-6769, Pleasant View TK-4th (559) 788-2002.

Contact Information

Parents who wish to participate in Pleasant View Elementary School's leadership teams, school committees, school activities, or to become a volunteer may contact the school's office at (559) 784-6769.

2023-24 School Safety Plan

Safe School Plan (School Year 2021-2022)

To ensure student safety, supervision is provided on campus at all times by administrators, teachers, and classified staff. All visitors to the campus must have administrative approval and are required to sign in at the office and display a visitor's pass at all times. Pleasant View Elementary School's Safety Plan is updated annually and was approved by the School Site Council in December 2021, approved by the School Board in January 2022. Stakeholders consist of administrators, teachers, classified staff, and parents. The safety of students and staff is a primary concern of Pleasant View Elementary School.

The key elements to the Safety Plan are ensuring the students and staff know what to do during disasters, lockdowns, and evacuations. The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Disaster drills are held regularly throughout the year; fire drills are held each month, earthquake drills are held twice a year. Procedures are in place in the event the campus needs to be secured.
