Teacher Notes

This week's Focus:

Important announcements:

High School Registration packets are due by Thursday, April 22nd. Monache High School counselors will be here to speak to students about what to expect their freshman year and answer any questions students have. It is very important that your student be on zoom or in class on Thursady, April 22nd at 11am!

- CogSkills PLAN OF ACTION - Each day, students will review a subject area and choose 2 cog skills they are missing. Students will then work on those two cog skills and check in with a Mentor to receive a passing score. They will get instant feedback as they complete a task with any topic they choose to create.
- Close Focus Area Gap - Attempt/Pass any focus area
- 4 Daily Goals (at least 1 goal in every subject)
- **Platform Make-Up - Turn an overdue project/focus area green**

FOCUS AREA ALTERNATIVE ASSESSMENTS - We are offering students who have attempted a focus area multiple times to be able to show mastery in a different assessment. This will give students options in using their strengths to tackle a focus area and/or a single objective and show us mastery.
